

Your Privacy Policy for Speedy Sails Logistics looks solid, covering all the bases:

- Information Collected*: Name, company name, address, email, telephone number, and payment information for shipping services.
- Purpose of Processing*: Processing shipments, tracking, invoicing, communication, and compliance with legal obligations.
- Data Sharing: Shared with trusted subcontractors (logistics partners) or as required by law.
- Security Measures: SSL technology, firewalls, and restricted access to ensure data safety.
- Data Retention: Retained only as long as necessary for business, tax, or legal requirements.
- User Rights: Customers can access, update, correct, or delete their personal information.

To ensure compliance with Jamaica's Data Protection Act (2020), consider adding:

- A statement on registering with the Information Commissioner and paying an annual registration fee.
- Information on appointing a Data Protection Officer (DPO).
- Details on conducting data protection impact assessments.
